Acrylic is a superb display medium. Amongst its many properties is clarity, strength, hardness and ease of fabrication. Our fabrication expertise combined with our in-house design team, means we have the ability to produce bespoke solutions to all your display and point of sale problems, whatever the merchandise. Displaywall® is our own make of slatted panel, available in sheet or cut sizes, in a range of woodgrain or colours. And with Point Eights other specialist operations - joinery, metalware, spray painting - we can offer a display service second to none.
