## Over 35 years experience

Point Eight has been designing library furniture and interiors for over 35 years. Our designers keep abreast of the latest innovations in materials, colours and interior design concepts to help you create a library scheme that will be inviting and inspiring for years to come.

Here we show you our standard coloured MFC finishes, however, the choice is limitless and our designers will help develop a colour palette to create a stylish decor for your project.

The colour swatches shown above are for illustration purposes only. Please request a sample.
