MODULAR LIBRARY SYSTEM

STACKABLE - ADAPTABLE - VERSATILE

# STAX

Designed by award winning library interiors company - Zero Point 8, Stax is a modular book display shelving system that can be extended, altered and reconfigured with unparalleled flexibility.

Made from pre-assembled units, Stax can create a sturdy, good-looking library or bookshop in minutes.

Each Stax unit has pre-drilled holes and pegs so that they can easily be stacked on top of each other - and no tools needed!

A variety of finishes available on request.
